Appkiwi has developed using the power of Northeast.js and NW.js.Huge thanks to the Northeast community. From wooden helicopters to diamonds, alien skulls, things of God...! How far can you break it? The ultimate king's challenge of breaking into the universe! Simulation games are one of the best games around today. They are popular, easy to play with so much fun! This is especially true when game simulation focuses on a single topic and tries to make it as fun as possible. Imagine having a game where you can break everything with just your hand. Isn't that ridiculous amazing? Ridiculous as it can be, is exactly what the Snippet Breaking game is all about! In this awesome game, you'll just need to type everything. If you are familiar with the karate helicopter, this game uses that and turns it into something so ridiculous fun. If you're curious, it's over! What Is Featured Break? If you've always been surprised by karate, then you'll love this game! Typing Tap Breaking is a game that allows you to showcase your karate skills. This game has been developed by ODAAT Studio and has over 1 million downloads of Google Play Store. If you were still shocked by the karate helicopter, you must be prepared for aunty first hand! In Snippet Break, you will try to break different types of things! Starting from the most common and easy people like sticks and bricks to absurd people like diamonds, the moon and the sun – this game is pure entertainment! Graphics will remind you of animated shows where the characters are as deliberate as ever. The sceneries and the stuff you'll break is also quite animated. In general, the game lets you show off your strenghts! Show your talent and upgrade your strengths. Only you can pull off these amazing feat: are you ready? The Tap Feature Breaking Tap Breaking is an amazing simulation game where it allows you to scratch different types of things! From blocks of wood to the sun itself, this game is pure entertainment! Here are its features: Unique Gameplay – When it comes to simulations games, there are many of the things that these games focus on but they mostly offer a unique topic. Typing Breaking Typing is another ridiculous but fun game. In this one, you'll need to break things up using just your hand! There are so many things you can break into this game. There are not only common things like wooden blocks, there are more things in the universe and beyond that. Be prepared to break some things that can't be restored today! Simple control – Since this is a simulation game on breaking things, controls are easy. Control them are so easy that you just need to tap the repeated screen to break different things! You don't need to do anything else in this game. That's how easy and simple this game is in terms of control. High-quality graphics – In Tap Breaking, the graphics are similar to animated shows. In this game, you'll notice that the character is the same as the animated character you've come to love. And then things are properly done as well. Combine these with the epic sound effects and you're in for a very good time! Game mode – In Tap Breaking, there are 3 game modes. The default one is the training mode where you can practice your karat helicopters. Then there's the challenge mode where you need to complete different steps. As you progress, the difficulty increases that will challenge you a lot. Then the Golden Bar is a time trial where you need to end things off within the time limit! Lots of things break – In this game, you won't just break down common things like wood or bricks. There are so many things to break out in diamonds, meteoring, skulls and more! Typing Breaking Mode APK – Unlimited Stylus, no ad Tap Breaking typing is an awesome simulation game that lets you break things unlimited! Download the unlimited money mode now and enjoy!
